Journey

In March, Grace and I felt the guidance of God. We prayed and then flew to Toronto to set up a Wycliffe booth at the 1st mission conference of Canadian Chinese School of Theology at Tyndale Seminary (<http://www.ccst.ca>).

With the help of our Korean Ministries leader, Gyoosun Lee, the organizer ran a Wycliffe Journey program on the second day of the three mornings event. Our linguistic professor, Myles Leitch, also volunteered for the language training session of this interactive game.

Close to sixty Chinese seminary students went through this simulated missionary journey program starting from receiving the calling to landing on destination within just a few hours.

Vacation Leave?

In July, we will attend the wedding of Grace's nephew in Ottawa. At that time, we will have been with Wycliffe Canada for almost six years. Thus, we are planning to take our vacation leave for two weeks.

However, every time when Joe thinks about this trip, so many ministry ideas keep popping up in his mind! He hardly can separate this vacation trip from the past ministry trips.

As time gets closer, it seems we cannot avoid making ministry appointments during the vacation period. So far, we have at least one appointment in Toronto!

In the debriefing session, many of the participants expressed strong feelings about when they encountered challenges which could happen to any real-life missionaries.

Praise and Pray

Praise

- For experiencing His grace (relationship building and new ministry opportunities) again after we step out in faith to Toronto in March.
- For attending the Chinese Sunday worship in London with Antony.
- For a new volunteer to help out on administration and event coordination.
- For being part of His plan in His leading of four people to Christ.

Pray

- For Antony and Edwin for their coming examinations.
- For the renovation of our broken backyard fence which was damaged by strong winds.
- For a good finishing of the Chinese section of Wycliffe Canada web site.
- For our preparation of assignment for the leader development course in Langley from May 23-28.
- For Antony's summer job search.

We believe this Mandarin Journey program probably is the first one being run in Canada. We expect the first Cantonese Journey will also be implemented in Canada soon. Please pray that it will become one of God's instrument for Chinese mobilization.
